Harry T. Peters, Jr.

WELCOME

You are cordially invited to attend the Windholme Invitational Sale which I hope to make an annual event. It is an honor to have as guest consignors Boll Weevil Plantation, Pennsylvania State University and Timberlee Valley Stock Farm.

I have looked forward to this event for some time. All of the consignors are offering top individuals from their 1968 show herds and have endeavored to offer a good, sound, well-bred group of cattle worthy of any herd in the country. All come from proven families that have done well for each of us and are backed by some of the greatest bulls of the breed.

The pictures and footnotes in the sale catalogue are intended to describe the cattle as you will find them on sale day. We will have at the sale some of the most outstanding men in the livestock business who will competently and honestly advise and assist any prospective purchasers.

We ask you to be our guests at the Holiday Inn, Culpeper on Friday night before the sale for a cocktail party and buffet dinner. On Saturday we invite you to a buffet brunch at the farm at 9:00 A.M. until the sale starts promptly at 11:00 A.M.

There is a lot to see here at Windholme Farm. I hope you will come early and see the Windholme herd as well as the sale offering and whether you buy or not, we will all welcome you as our guests.

Sincerely,
Harry T. Peters, Jr.

Bob Douthit

Mel Nace

THE WINDHOLME STORY

Windholme Farm, situated in the heart of Virginia Angus country, commenced assembling a purebred herd of Angus cattle in 1948. This herd was sold in 1963 to Longleaf Plantation. Soon thereafter red, white and roan cattle began arriving at Windholme. The first purchases, three heifers from Harold Thieman, two from Mrs. Merry in Canada, and two from Grant Campbell, started the herd. The loan from Penn State University of a son of Craigeassie Penn got the first generation started. A very successful motor trip through Ohio and Pennsylvania brought about the purchase of P. S. Floss, subsequently International Grand Champion Female, Acadia Napoleon 65th, later to become International Reserve Junior Champion Bull and a most fortunate purchase for Windholme, as well as three additions to the brood cow herd from Timberlee Valley. From this small beginning we have grown with sound successful purchases from Acadia, Boll Weevil, Oakwood Stock Farm, Pen-Y-Bryn, Sutherland and Belvoir farms, and numerous others. At private treaty I was fortunate to obtain from Camson Farm my foundation Primrose and Flower Girl females and later, at the dispersal of the Camson herd, I acquired the Imp. Dandy of Westdrums bull that had been Grand Champion Bull in Canada and became International Champion at Chicago in 1962. This bull, now shared with Penn State University and V. P. I., will be represented by daughters in the sale.

The refreshing thing about having ventured into the Polled Shorthorn breed has been the most happy association with fellow breeders who have generously helped with good advice and genuine friendship. Paul Teegarden, whom I shall never cease to miss, taught me blood lines and with his enthusiasm and real love of the breed, was a true and valued friend. Mr. Cyrus Eaton and Betty Royon stand high on the list of those to whom I am ever grateful. Herman Purdy and Fred Smalstig are valued friends in this competition in which we strive to beat each other. Barbara Fenwick, a lifetime friend, has the distinction of selling me the highest priced female I ever bought, namely Pauline's Juliet. Her progeny fills the barn and daughters and granddaughters are offered in this sale.

No story of Windholme Farm would be complete without my paying tribute to two of the people who have contributed so much to whatever success has been our good fortune. Mel Nace, who has been my right hand for twenty years and doubles as Farm Manager and Sale Manager, has been a loyal and tireless worker and friend in everything that pertains to Windholme. Bob Douthit, with his knowledge and love of the cattle, has become a very important part of Windholme Farm. My gratitude to both is sincere.

Betty Royon With Napoleons

HISTORY OF THE NAPOLEONS

The Napoleons . . . A Remarkable Heritage

By Betty Royon

Vice President, Acadia Farms

Kinellar Napoleon "left a remarkable heritage for the Shorthorn industry throughout the world." That was the considered verdict of The Shorthorn World when the coming eight-year-old \$25,500 Perth reserve senior champion died late in 1962 at Acadia Farms.

Acadia's purchase of Napoleon in Scotland in 1956 climaxed an exhaustive two-year search for the right bull to follow Calrossie Troubadour. Champion wherever shown in the old country and carrying the coveted Kirkton Baronet-Cruggleton Perfect cross, Napoleon was the subject of one of the most spirited bidding duels in history, with Acadia finally winning out over Calrossie, Glastullich, Burnton Kair, and Morphie Millhills.

Show ring records attest to the prepotence not only of the original Napoleon himself, but also his sons, grandsons, great grandsons and great great grandsons. The first son to show at the International in 1958 was first prize junior bull calf in the Polled Shorthorn Show. A great great granddaughter was first prize senior heifer calf in the Shorthorn show in Chicago in 1968.

In eleven years of International competition, the Napoleons have accounted for 20 championships, including one grand and six reserve grands, 48 firsts, 43 seconds and 33 thirds in the Shorthorn and Polled Shorthorn shows. Napoleon gets have been first or second in one show or the other in eight of the eleven years.

The All-American scorecard on the Napoleons is equally impressive. In the seven contests held to date, 75 Napoleons have been nominated, 23 named All-Americans and 15 Reserve All-Americans. The bulls and heifers

that took these honors were born and raised on 11 different farms in eight states and one Canadian province, from Virginia to Nebraska, from Nova Scotia to Texas.

Napoleon bulls are at work in both purebred and commercial herds across the United States and Canada, and in Europe and South America, as well. Bearing firmly in mind that superior steers are the ultimate test of any and every beef breeding program, Acadia participated in the crucial International carlot competition for four consecutive years, and showed the grand champion Shorthorns three times and the reserve grand champions once. No other Shorthorn herd in a quarter of a century has equalled this achievement, and it was Napoleon and Troubadour steers that produced the record results.

Certainly in the forefront of the famous Napoleons is the 65th x, featured in this sale. An International champion in his own right, he has consistently sired International champions and first prizewinners, and All-Americans. The 65th x was no accident. He was the superlative product of the planned mating of Acadia Napoleon 20th by Kinellar Napoleon to one of the first — and best polled daughters of Calrossie Troubadour. The 65th x already belongs to history, and those who buy his sons and daughters will put themselves in a position to make history, too.

1963 1st prize Get of Sire, International, sired by Rodney's Leader 29 x. Considered the greatest Get of Sire, consisting of FOUR Champions, Two Grand Champions and the senior and Res. senior Champion. Much Rodney blood sells May 3rd at Windholme!

THE HISTORY OF THE RODNEYS

May 3, 1969 Sale

When Judge Jerry Clodfelter made Rodney 28th x Senior Champion at the 1968 International he became the 18th Rodney to enter the Championship circle at Chicago. There have been 37 blue ribbons awarded the Rodneys at Chicago. Considering that it all started with Rodney's Leader 29 x in 1959, and that his progeny were not shown in numbers until 1963, this is an amazing feat.

In the study of this success one comes away believing more firmly in the importance of pedigree, the show ring, the master breeders and judge's of the past. The Rodney cattle are the continuation of proven royal bloodlines.

When one thinks of Willow Lee Farm, of House & Benroth, one also thinks of ruggedness, frame, size, of Drynie Wonder by Naemoor Immaculate, of Willow Lee Wonder and Willow Lee Wonder 17th (full brothers). Today Vernie Benroth says "... the bull most responsible for this great infusion of character, growability, bone and size was Naemoor Immaculate, and when I think back on the sales 15 years ago, it was the Drynie females sired by him that were criticised for their size. Yet, today, though he is several generations back, his kind have become popular again. He truly was a bull ahead of his time."

At the June 1, 1956 Willow Lee Sale, Herman Purdy, representing Penn State University, purchased Willow Lee Wonder 32d for \$1000. That same day he purchased Willow Lee Rodney privately. This Wonder breeding was not new to Herman, nor was Willow Lee Farm. He knew the Wonder cattle had been winning Get of Sire classes, that there was much

RODNEY'S LEADER 29 X WINNING THE INTERNATIONAL GRAND CHAMPIONSHIP IN 1959. HE AND HIS PROGENY HAVE ACCOUNTED FOR 7 INTERNATIONAL GRAND CHAMPIONS, 3 RESERVE CHAMPIONS, 18 CHAMPIONS IN ALL, 37 FIRST PRIZE WINNERS, 21 RED RIBBONS AND 18 THIRD PRIZES—ALL AT CHICAGO!

of it in the Ohio State University Herd where he had gone to college, was herdsman, and later taught. In 1952 he had exhibited the International Grand Champion steer over all breeds, a Shorthorn, Ohio's Leader 2d. He had been selected as a calf by Herman at Willow Lee Farm! Willow Lee Rodney was Reserve Champion at the Ohio State Fair. He then went to work at Penn State. In late July of 1957 he was mated to Leader's Nonpareil x, and the following Spring she produced Rodney's Leader 29 x.

Leader's Nonpareil x didn't just happen along! She comes from a distinguished family of cows. Following the tragic airplane crash which took the life of Harry L. Straus, the Cherry Hill Herd was dispersed April 1, 1950. Penn State was represented at this historic sale by three college men, Messrs. F. L. Bently, W. L. Henning, Alex Buchan, and a State Polled Shorthorn breeder, F. W. Smalstig. They purchased seven head that day, all horned—save one! There was only one polled man in the crowd and he insisted in buying a top one, Lot 68, Glen Knolls Nonpareil x, by Forest Glen Colnel x, by Shadybrook Helmsman x. She was the first polled shorthorn at Penn State. Not exactly a diamond in the rough, she had already produced \$5450 worth of cattle at Cherry Hill, one being the International Res. Champion Female in 1946! She was carrying the service of Edellyn Royal Leader 2d, whose service was made all the more valuable by the fact that the night before the sale Sni Bar Control and he had gotten together and Leader 2d came out second best and had to be destroyed.

Glenn Knoll's Nonpareil's calf was PSC Leader's Lady x, and she was mated to the Penn State herd bull, Edellyn Royal Leader 101st. Her calf came shortly after Herman arrived at Penn State and he named her Leader's Nonpareil x. Mated to Willow Lee Rodney she produced Rod-

ney's Leader 29 x. The following year she had a full sister to him that was never beaten in class. Today the old girl is still producing at Penn State and Herman describes her as "A great big, heavy-milking, very feminine cow."

Rodney's Leader 29 x was a calf of great size—really enormous! He was the biggest summer yearling out in 1959, and he was grand champion at Ohio State Fair, Harrisburg and the International. Today he would be a sensation as many breeders search for the MODERN look. Rodney 29 x had this look back in 1959!

Penn State used him on all their cows, and he was eventually sold to the Arrowsmith Farm in Maryland. Through a misunderstanding Penn State was denied his use, but many, many winners were purchased from Arrowsmith by Penn State—sired by Rodney's Leader 29 x.

His greatest son was International Champion in 1963, Skirmish Hill's Rodney x. When Herman Purdy came to Penn State from Ohio State he brought with him Messrs. Hutzel, Watkins, Long—also Wonder's Princess Royal! He mated her to Willow Lee Wonder 32d, and she calved a red heifer calf, PS Princess Royal 11, who in turn was mated to an imported-in-dam son of Craigeassie Welcome by Calrossie Welcome. His name was Craigeassie Pennsylvania, and his mother was the female selected as Perth Champion when Herman judged there in 1957. He had bought her for Penn State. He was Grand Champion at Harrisburg and the Eastern National and proved to be a valuable sire at Penn State, as well as for the Creeks and Hollis Hanson in Indiana. The PS Princess Royal 11/Craig mating produced PS Princess Royal 43, a grand roan cow, and she was selected at Penn State by Mr. Odell when he founded his Skirmish Hill's Herd, carrying the service of Rodney's Leader 29 x. She calved Skirmish Hill's Rodney x in March, 1962. His record as a sire is famous.

The Rodney history will continue, and without a doubt, the Rodney influence in this Windholme Invitation Sale will insure its continued success.

Skirmish Hill's Rodney x, 1963 undefeated International Grand Champion. It was indeed a memorable day when Dad and I visited the farm of David Dallas Odell handy to the old Brandywine Battlefield at West Chester, Pa. There we saw this great young calf, made all the more impressive by his mama at his side. He was four months old and his dam had been selected by Mr. Odell from the Penn State herd. A week later he was at Timberlee and shared a stall with Timberlee's Consort 32d x from that day on through Chicago. Rodney was Champion there, the 32d Res. Champion, selling to Valley View Farm where he has proven himself a great sire. Oh for two bulls like them in the same pen again! Rodney has sired the first prize Get of Sire two of the last three years at Chicago, being second the other year. A son was Grand Champion at Chicago in 1966, and three of his daughters have entered the championship circle there. His progeny have accounted for 14 blue ribbons at the International. His great LENGTH, unusual THICKNESS, his SIZE and FRAME were recognized in 1963. TODAY we call him the MODERN KIND! NO bull today can match HIM as the MOST CONSISTENT SIRE in the Shorthorn and Polled Shorthorn breeds. He has been greatly assisted by the many brood matrons by TIMBERLEE'S CONSORT X, the great bull who preceded him at Timberlee.

TIMBERLEE'S RODNEY 17TH x, 1966 INTERNATIONAL GRAND CHAMPION BULL. L to R, The Shepherds of Kentucky, Lassie Queen, Polled Society President, C.R. Bertz, Barbara and Fred E. Smalstig. RODNEY 117TH X, LOT 7, IS A FULL BROTHER!

MRS. FRED W. SMALSTIG (2d from left) WITH TIMBERLEE'S BEAUTY 2D X, BY TIMBERLEE'S CONSORT X, 1962 NATIONAL POLLED CONGRESS CHAMPION AND TOP SELLING FEMALE FOR \$2100.

TIMBERLEE VALLEY FARM

Pittsburgh, Pa.

To be able to spend the first week end of May in Orange County, Virginia with our closest cattle friends, amongst a grand herd of cattle, is an event eagerly awaited by us all, and we hope you will join us.

You who have been to the farm know how practical we have kept our operation. No nurse cows, not a single cow not in production—but thirty-five females whose pedigree, individuality and proven ability to produce superior cattle abound. Such are the cattle we are selling at Windholme on May 3d.

Though we are proud of our show record, and sleep better at night knowing that the ones we have kept have proven themselves against the keenest competition, we are just as proud of our lush green hills, of the

1966 1st PRIZE GET OF SIRE AT CHICAGO BY SKIRMISH HILL'S RODNEY. X, The SMALSTIG FAMILY AT WORK! L to R, Fred W. and John D. Smalstig, John Shepherd, Kentucky, and Mrs. John D. (Carol) Smalstig.

two lazy streams, of the beauty of the Timberlee Valley. We invite your inspection of the cattle behind the cattle we are selling at any time.

We all wish to thank Windholme Farm for the grand opportunity to join in this venture with them. No finer, warmer, honest, more sincere people do we know. We honestly hope all our friends come and share what certainly must be one of the finest sale offerings ever put together.

Brawith Betsy 2nd

THE BOLL WEEVIL STORY

By Barbara Fenwick

The Boll Weevil shorthorn herd was started with a few imported females that came from the dispersion of the Massey-Harris herd in 1958. Then the entire W. E. Giddens herd was purchased which contained many great females and the world famous herd sire Calrossie Ocean Wave. Also included was a group of half sisters by Cruggleton Peglers. They made magnificent brood cows and gave us many of our best animals. Their daughters have gone on and produced equally well.

From the beginning the Boll Weevil policy has been to offer the best cattle within our means to produce.

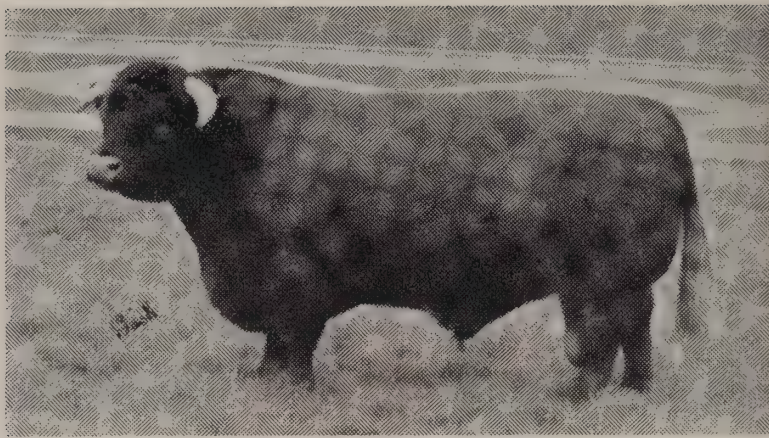

We have used the best sires that we could acquire and the list is impressive, Calrossie Ocean Wave, Bapton Craftsman, Calrossie Diadem and Acadia Troubadour 70th. We now have Acadia Napoleon 171st in residence and are sure that he will carry on the great work done by his predecessors.

Boll Weevil has always made a point of keeping ahead of the wants and needs of our customers and giving them the up-to-date cattle they desire.

We strongly feel Polled Shorthorns have an important place in the future of our operation. Boll Weevil has started a herd of polled animals. We are sharing with you in this sale some of our polled females that should really never leave home as they are Foundation females. We are now using the polled bull, Elk Hill Commissioner 2nd, known to his friends as Fred. He has given us some of the largest, strongest and growthiest calves that we have ever had on the place.

Our aim is to give breeders what they want and to stand behind every animal we sell. We are proud that the Boll Weevil guarantee means what it says and we are most appreciative of our many repeat customers.

We would be only too delighted to have you come to visit Boll Weevil and see the bulls, cow herd and calves. We love talking over ideas and nothing gives us more pleasure than showing you our cattle.

Calrossie Diadem

THE DIADEM DYNASTY

In February of 1962 W. H. Boutell and Dwight McCoy went to Scotland in search of a herd bull. After looking over all the bulls consigned to the Perth Show and Sale, they decided that the bull they wanted was the herd sire at Glamis, Calrossie Diadem. They purchased him at private treaty and were delighted when his son, Glamis Benefactor, was named supreme champion at Perth.

Calrossie Diadem also sired the supreme champion, Glamis Trademark, in 1961 that sold for \$14,400 to Sr. Elordy of Argentina. In 1963 Calrossie Diadem was the sire of the top selling Glamis Supreme Commander that went at \$20,400 to the famous Argentinian estancia of Sr. Charles Duggan.

At Perth in 1964 Calrossie Diadem again sired the top selling bull, Glamis Crowning Glory, that went for export to the Argentine at \$25,000. This was the fourth consecutive year that Calrossie Diadem sired the supreme champion or top selling bull at Perth.

In May of 1963 Michigan State University acquired an interest in the bull and he worked very well with their daughters of Easterlovat Constellation.

During the summer of 1964 Boll Weevil Plantation was lucky enough to be able to purchase an interest in the internationally famous bull. His service there has produced many All Americans and sale toppers. Among them are the show winning Boll Weevil Golden Lace that sold at \$2,600 to Acadia Farms in the 1966 Choice of Champions Sale and the \$1,700 Boll Weevil Charity 2nd.

At Bilmar Calrossie Diadem is the sire of the three times All American and many times champion Bilmar Atlas Diadem, now herd sire for Russell Held, Hinton, Iowa. Also Bilmar Augusta 26th the 1965 international reserve grand champion. His son, Bilmar Gambler Diadem x, now in service at Four Dees Farm, has started a whole new line in the polled branch of the breed.

Acadia Farms purchased the \$10,100 Bilmar Gallant Diadem that sired the 1967 international reserve grand champion bull, Acadia Gallant Diadem 7th, and the All American Acadia Gallant Diadem 14th x, now in service at Ashbourne Farms.

Following his supreme championship at Perth, Calrossie Diadem's son Glamis Benefactor went on to become an undefeated champion, winning seven shows. After his importation to this continent an interest was purchased by K C Farms, Kansas City, Missouri where he has been siring to show animals such as the international junior champion of 1966 Secret Lily of K C and the International grand champion in 1967 Secret Pearl of K C; when her half sister Queen Margaret 7th of K C was reserve grand champion. In 1968 Queen Margaret 8th of K C was not only grand champion at the International but at many shows all over the country.

Pennsylvania State University bought a daughter, Princess 10th of K C that was the 1965 International reserve junior champion and then acquired an interest in Glamis Benefactor. He sired for them P S Rothes Queen 158 that became the 1967 International reserve grand champion.

The sons, daughters, grandsons and granddaughters of Calrossie Diadem have established a remarkable record of All Americans and All American gets of sire. There are very few bulls that have had such a strong influence on the Shorthorn breed of cattle and that have been so prepotent. Calrossie Diadem sons and daughters have a magnificent record and now his second generation is carrying on this tradition. When he died this winter the breed lost a really great bull but at least there is the consolation that his descendents are proving that he has truly founded a dynasty.

LOT 1 — WINDHOLME NAPOLEON 17.

Our senior yearling bull from our 1968 show herd. Always standing well at the top of his classes throughout the show season. He has a great pedigree, being the son of an International Champion out of a great Eliza female and by a 7/8 brother of our International Grand Champion, Dandy of Westdrums. This is a thick, rugged, heavy muscled, roan bull, semen tested and ready for active service.

LOT 3 — WINDHOLME NAPOLEON 22.

The spring yearling bull from our 1968 show herd. He was Grand Champion Bull at both the Dixie Classic and the Atlantic Rural and Reserve Champion of the Maryland State Fair. He stood well up in class throughout the show season and was a member of our 1st prize Ten Head group at Chicago this year. A full brother sold in the Choice of Champions Sale to J. and J. Humphrey of Indiana where he is siring great calves. The mother of this bull was purchased for me by Herman Purdy at the top of an Oakwood Sale for \$2,200, and has been a great producer. This Polled son of the 65th stands correctly, has great length of body and will make a tremendous two year old show bull. We would like to reserve Show Rights on this bull through the 1969 International. We will make semen available to the purchaser.

LOT 4 — WINDHOLME IMPRESSIVE.

A dark red Polled son of Willow Lee Imaculate 7 purchased by us with the Belvoir Polled Herd. He was shown in 1968 with success and is out of a great old show cow, Home Again Clipper Rose, a Congress champion as well as an All American Nominee. She has produced great cattle, three of her daughters are in our herd, and Timberlee has recently purchased a daughter for their select herd of brood cows. We are selling a 2/3 interest and possession.

LOT 6 — WINDHOLME NOMINATION.

A young white bull too young to offer by Windholme Napoleon 8th, a bull we had hoped to show. Paul Teegarden rated the sire very high and unfortunately we lost this bull with pneumonia but have a small but great group of his calves. We will be showing two full brothers to the sire of this calf in 1969. We feel this should make a top junior yearling show bull. BCIA record at 205 days — 484 lbs. with 2.02 daily rate of gain. Graded 14, Index 133.

Timberlee's Bold Ruler

LOT 7 — TIMBERLEE'S BOLD RULER x3352008.

This bull will make someone a top junior yearling show bull this year. We have high hopes for the Constellation 3d cattle in the showing. Timberlee's Rosewood 19th had a great show career. Her daughter was champion at the 1964 Eastern National after selling to Acadia, and she in turn produced 5 M's Troubadour, the 1968 International and 1969 National Western Grand Champion bull! Bold Ruler x has great balance, great length, a bulging rear quarter, and is excellent on his feet and legs. His 205 day weight was 508 lbs. with a weaning index of 137, an average daily gain of 2.227. At a year of age he weighed 920 for an ave. daily gain of 2.34 lbs. since birth. Seman tested.

LOT 8 — TIMBERLEE'S RODNEY 117TH x3352011.

This bull is a FULL BROTHER to the 1966 INTERNATIONAL GRAND CHAMPION, Timberlee's Rodney 17th x, now siring great calves for the Shepherds in Kentucky. He is the BEST SON of Rodney we have ever sold at auction, and many say he is the best bull EVER at Timberlee. He is thick, long, sound — MODERN! His granddam was a great Consort female — she had great size and frame. His full sister, a show winner two years ago, is a valued brood cow at Timberlee. Rodney 117th x 205 day weight was 500 lbs., with an index score of 141 and an ave. daily gain of 2.20. He has run outside with five other bulls all winter and at a year of age he weighted 970 lbs., for an ave. daily gain since birth of 2.48 lbs. Selling 2/3 interest and possession with show right reserved through the International.

LOT 11 — WINDHOLME CLARION.

A Polled red May, 1968, son of Belvoir Constellation 3rd out of a Kashmir Princess daughter, purchased in dam with the Belvoir Polled Herd. His sire was in active service at Timberlee Valley Stock Farm and has recently gone to a new herd. This will make a spring yearling show prospect. He had a 205 day weight of 441 lbs. with a 1.81 daily rate of gain and graded 14, Index 124.

LOT 25 — TIMBERLEE'S FANCY LASSIE R 2nd x3305200.

This heifer should never leave Timberlee save for this, our first sale. She is our idea of the MODERN kind, the kind we have been keeping for replacement females. She has unusual length of body, is very smooth, thick-quartered and feminine. Her dam is a great mother, and her granddam is still producing for Jerry Clodfelter. She is safe in calf since 12-13-68 to Belvoir Constellation 3d x. Her calf will carry the blood of Bapton Constructor, Calrossie Perfect and Skirmish Hill's Rodney x. We are VERY HIGH on the VALUE of this heifer.

LOT 34 — TIMBERLEE'S TC ORANGE BLOSSOM R 25TH x3312365.

This heifer is the 1968 INTERNATIONAL RESERVE GRAND CHAMPION FEMALE! She is a full sister to Rodney 25th x, and she has two full sisters in our herd — just like her. Messrs. Peters and Purdy talked me out of her at a very weak moment, as it has been our policy NEVER TO PART with her kind. Her great length, stretch, thickness and femininity mark her as MODERN. NEVER defeated in class, ALWAYS admired by all — her worth as a brood cow is price-less. This Orange Blossom family fills our pastures and every one is a good one. Timberlee's Orange Bloom has just had her 13th calf in her 14th year of life. Safe in calf to Belvoir Constellation 3d x since September 8th.

This heifer is a dehorned heifer out of the \$1725 1st son of Skirmish Hill's Rodney, and a full brother to Timberlee's TC Rodney 24th x, the All-American sire at the Greenhorn herd in Ohio. Paul Teegardin stated "Lady Golden 5th x has probably exerted more influence on the Oakwood Herd than any single cow we have ever owned." This family produced both Commander in Chief x and Oakwood Leader x. This heifer has great size and is safe in calf since 10-14-68 to Timberlee's Ideal Rodney x, a TOP son of Skirmish Hill's Rodney x, now sire for the Cranes at Albright, W. Va.

LOT 41 — BELVOIR DUCHESS 3rd.

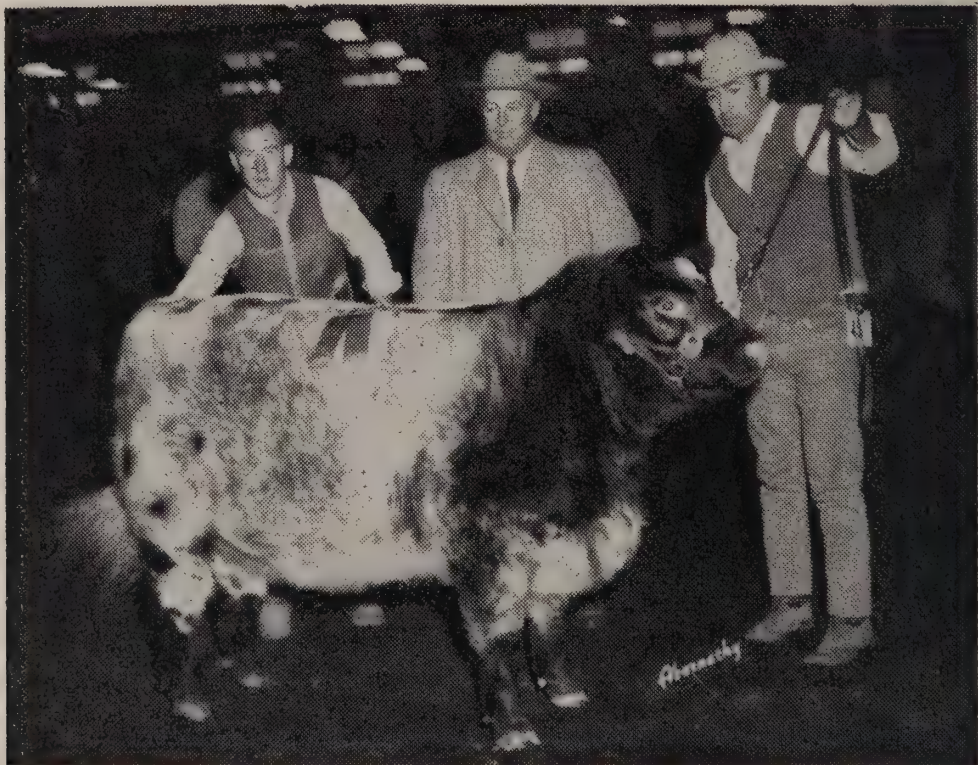

This is an outstanding show heifer of the modern type with great length of body, smooth, thick quartered and correct on her legs. We should not be selling this female but Herman Purdy insisted she be included. Her mother we reluctantly sold to Timberlee Valley where she has produced an outstanding full sister. She is our idea of a modern type female with quality. Sells bred to T C Rodney 25th. Calfhood vaccinated.

LOT 48 — BOLL WEEVIL CROCUS 2nd.

Acadia Napoleon 66th, sire of so many champions, is the sire of this lovely roan heifer. Her great granddam, Comrie Crocus, has been a great producer for us being the dam of Boll Weevil Checkmate, herd sire for the Cone Bros. of Indiana. Another son was Reserve Champion Steer at the Pennsylvania Livestock Exposition as a Junior calf. And another son was a member of our Champion Pen of Steers at the Eastern National in 1967. Her granddam was sold to Acadia Farms where she is regularly producing top calves.

The only reason that this heifer is selling is that we wished to have a really top offering for this sale. This is the last daughter of the International Grand Champion, Brawith Betsy 2nd. We were lucky enough to have four daughters of this great champion and now offer you the only one that will ever be sold. Brawith Betsy 2nd is also the dam of Boll Weevil Ocean Wave who did a great job for Omer Dishman, Stratford, Missouri. Also Boll Weevil Blue Book, the top selling bull at the South Eastern Sale to B. C. Barnes, Carrollton, Ga. and Boll Weevil Burley Diadem who now heads the herd of Norwood Gainey Jr. of North Carolina. This heifer sells open and has never been bred.

LOT 63 — BOLL WEEVIL PRINCESS MONA.

This sweet young dark roan heifer is sired by the \$20,000 Acadia Troubadour 70th. Her dam, Briardale Princess Mona 8th, is a beautiful big daughter of the AAA Aberfeldy Armada. This heifer was a Junior calf in our show string. We are selling two heifers by the 70th as we wish to have a top consignment for this sale but not many more will be sold as we had the misfortune to lose Acadia Troubadour 70th last summer. Boll Weevil Princess Mona has never been bred and sells open.

GUARANTEE — All cattle in this sale are sold under the **STANDARD GUARANTEE** endorsed by the American Shorthorn Association as follows:

STANDARD GUARANTEE

Recommended by American Shorthorn Association

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for

a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Bucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

HEALTH — All of the herds consigning to this sale are TB and Bangs accredited. Hence, all cattle selling can go to any part of the United States and Canada. All of the bred females will be pregnancy examined. All breeding dates will be available sale day. All bulls will have been semen tested. All females selling will have been calfhood Brucellosis vaccinated and state certificates of vaccination will be given to the buyers.

TERMS — Terms of this sale are check or cash in full to the Clerk at the conclusion of the auction. All sales are final as soon as bid off and constitute a contract between buyers and sellers. Windholme Farm, its owner, employees and the Sale Manager and any other person connected with the management of the Sale are not responsible for accidents which may occur and assume no liability, legal or otherwise. All attending this sale do so at their own risk, although every precaution will be taken to guard against accidents.

INSURANCE — All purchases are at the risk of their new owners as soon as bid off and we strongly urge that they be insured. Insurance will be available sale day.

TRANSPORTATION — The consignors to this sale will be happy to help provide transportation in their own trucks enroute home. Competent truckers will be on the grounds and every possible help will be furnished by the consignors to assist in delivery of purchases.

FURTHER ANNOUNCEMENTS — Although all information in this catalogue is correct to the best of our knowledge at the time of printing, announcements from the auction block sale day will supercede any material in this catalogue.

SHOW RIGHTS — Show rights will be retained on some of the cattle through the International Livestock Exposition. Announcements to this effect will be made on sale day.
